

## ~ NC Sounds Wedding Selections ~

### *The Essential*

\$1199

- Up to 5 hours DJ/MC service, tailored to **your** style
- Detailed expertise from over 17 years wedding experience
- A stylish wedding-appropriate setup
- 2 speaker premium sound system for up to 150 guests
- Basic dance floor lighting and mirror ball effect
- Wireless mic for toasts
- Online planner & unlimited meetings for a perfect day
- A huge music collection, updated weekly (we typically have internet access for any requests we may not have)  
\*clean edits
- Backup system - Just in case!
- Full liability insurance

\* *Be mindful of services that exclude any of these must-haves in their introductory package. We don't feel lights or a reasonable amount of time should be an upsell.*

### *The Show*

\$1499

*Perfect for those that want more than the average wedding production.*

*Includes "The Essential" plus:*

- Programmed lighting that moves to the music, spotlights entrances & special dances, forms elegant textures on walls & floors, creates a laser star system on the floor, and makes awesome displays that are sure to WOW!
- A larger, high end sound system customized to your venue and audience size. Includes a booming 18" subwoofer, so you'll hear & feel your favorite songs like never before!

### *All of the Lights*

\$1799

*Compare the price of this package to that of similar services and see why this great deal is so popular!*

*"Grand Show" plus:*

- 16 architectural lights to illuminate walls, columns, curtains, make tables with white skirts glow, etc. All lights are completely wireless and controlled from the DJ booth to make any color. The possible applications are endless!

***Save \$260 on uplighting with this package!***

### *Glamorous*

\$1999

*Our best value. "All of the Lights" plus the look and feel of a TV wedding - at an attainable cost!*

- Name in Lights Custom Monogram
- Upgrade to 20 architectural lights!
- HD Projector and largescreen for slideshow and/or video

***This stunning package cannot be beat in wedding reception visual effects and sound. \$650 total savings!***

**All plans can include ceremony sound support if within the 5 hour time frame and at the same location as the reception.**

A la carte on next page >

## NC Sounds A La Carte

### **Ceremony Sound \$200**

(If ceremony and reception are in different locations)  
Includes music and sound support with a lapel microphone for the officiate and wireless mic for readings or performers.

### **Additional Time**

Require more than 5 hours? We can accommodate you; ask us for a quote!

### **Architectural Lighting \$35/light\*** (up to 20 lights available)

\* Our lights are completely wireless. They can be set to one color or programmed to create awesome visual scenes to the beat of music. LED (no heat given off and no danger to your guests!)

### **Name in Lights Custom Monogram \$200**

Heighten the ambience of your space by projecting your names onto a wall, ceiling, or floor.

### **Remote Wireless Speaker \$100**

Provide high quality sound to a patio, foyer, or remote room so your guests won't miss a thing.

### **HD Projector and Screen \$250**

Great for videos and slideshows. 6'x4' screen ensures visibility for all your guests.
